

GARRETT STEWART

Full Stack Software Engineer

SUMMARY

Enthusiastic and results-driven team player with a strong work ethic. Quick learner with a positive personality, thriving in dynamic environments. Proven adaptability to new technologies and a passion for continuous learning. Dedicated to excellence, bringing a proactive attitude to every project.

WORK EXPERIENCE

Software Engineer at #100Devs, Los Angeles, CA

March 2022 — Present

- Collaborated with global teams of developers to build modern and responsive web applications using MERN stack, EJS, and TypeScript
- Launched and led a mentoring program for 100Devs training, orchestrating daily stand up meetings with groups of developers of up to 20 or more
- Applied agile methodologies as team lead for an internal training application with hundreds of users, increasing team efficiency by 60%

Recent Projects:

OmniHospitality (Fullstack Web App)– Developed an all in one POS system for Waitstaff, Bartenders, & Hosts, to send orders, seat guests, and have everything automated in real time to smooth the flow of the seating process, and client satisfaction.

StickyPad (Fullstack Web App) – Users can log in to their profile securely and find their list of notes. They can add new notes through an input, which they can then edit or delete in their own personal profile.

Collector's Cove (Fullstack Board Game Collection Web App) – Clients will be able to add, and upload their board games by name, and date acquired, to a database, see others collections, and comment on them, as well as give likes.

Freelancing at Gret's Consulting - Tampa, FL

February 2020 — Present

Developed full stack web applications and static websites for different clients across small and medium size businesses. Consulted on SEO and social media strategy to improve website traffic exponentially

Marketing Associate at Bon Appetit (Server) - Dunedin, FL

January 2022 — Present

Helped migrate the waitstaff to Toast POS system, and aided in establishing and integrating a strategy and communications campaign that increased positive reviews by 90% over the course of a month, and revenue by 25%

- Communication with the Team
- Persuasion and Problem Solving
